# SAFETY DATA SHEET

## Section 1: Identification

**Product Name:** PremiumPro

**Manufactured for and Distributed by:** XF-NEBRASKA  
1110 E 9<sup>TH</sup> Street  
Stromsburg, NE 68666 USA  
402-764-2221

**Product Use:** Protein Supplement for Swine

## Section 2: Hazard Identification

Physical hazards: Not classified  
 Health hazards: Not classified  
 Environment hazards: Not classified  
 OSHA defined hazards: Not classified

Label elements:  
 Hazard symbol: None  
 Precautionary statement: Avoid exposure to direct sunlight

## Section 3: Composition – Information on ingredients

Ingredient (Chemical Name)	CAS number
Hydrolyzed Whole Poultry	Not Classified
Egg Product	Not Classified
Soybean Meal	9010-10-0
Sodium Bisulfite	7631-90-5

---

## Section 4: First-Aid Measures

---

**Inhalation:** Respiratory irritation could be expected, therefore provide adequate ventilation and wear NIOSH approved respiratory protection as recommended to minimize exposure when working with the product. If inhalation does occur go to an area of fresh air, restore breathing and seek medical attention if symptoms develop and persists.

**Eye Contact:** Eye irritation could be expected, therefore wear goggles or appropriate eyewear to prevent contact. If contact with eyes occur, flush eyes with water for at least 15 minutes. Seek medical attention if irritation develops and persists.

**Skin Contact:** Skin irritation could be expected, therefore wear appropriate protective clothing and gloves to protect the skin. Wash residual material from the skin using soap and water. Seek medical attention if irritation develops and persists.

**Ingestion:** May be harmful if swallowed, therefore do not take this product internally as vomiting, nausea, chills and diarrhea may occur. If accidental ingestion occurs, dilute by drinking water or milk. Seek medical attention and provide product label to doctor.

**Effects of Overexposures- Long -Term:** Not available at this time. Wash hands and clothing thoroughly after handling is recommended.

---

## Section 5: Fire-Fighting Measures

---

**Flash Point:** Not available

**Flammability Classification:** Not available

**Extinguishing Media:** Water or any media suitable for extinguishing surrounding fire.  
**Protective Equipment:** Self-contained breathing apparatus and full protective clothing must be worn when trying to extinguish a fire.

**General Hazards:** If water is used for fire and heat suppression, it may become contaminated with soluble and/or insoluble components. Discharge to sewer system(s) or the environment may be restricted, thus requiring containment and proper disposal.

**Unusual Hazards:** None known

---

## Section 6: Accidental Release Measures

---

- General considerations:** Wear proper protective gear as described in section 8.
- Spills and Leaks:** Report spills and leaks to management. Vacuum or sweep material into a closed container for disposal.
- Special considerations:** If water is used for cleanup, it may become contaminated with soluble and/or insoluble components. Discharge to sewer system(s) or the environment may be restricted, thus requiring containment and proper disposal. See section 13.

---

## Section 7: Handling and Storage

---

- Precautions for Handling:** This product is to be used for the manufacture of animal feed and not for human consumption. Observe good personal and industrial hygiene practices when handling the product.
- Storing:** Store in a cool dry place. Keep the container sealed when not in use.

---

## Section 8: Exposure Controls & Personal Protection

---

### Occupational Exposure Limits:

#### US. OSHA Table Z-1 Limits for Air Contamination (29 CFR 1910.1000)

Ingredient	CAS number	PEL (mg/m <sup>3</sup> )
Hydrolyzed Whole Poultry	Not Classified	Not Available
Egg Product	Not Classified	Not Available
Soybean Meal	9010-10-0	Not Available
Sodium Bisulfite	7631-90-5	Not Available

- Biological Limit Values:** No biological limits noted for the ingredients
- Engineering Controls:** Good general ventilation should be used, typically 10 air exchanges per hour. Ventilation rates should be matched to conditions so as to maintain airborne levels below recommended exposure limits.
- Respiratory Protection:** NIOSH approved is recommended
- Protective Clothing:** Recommended

**Eye and Face Protection:** Recommended

---

### Section 9: Physical and Chemical Properties

---

<b>Appearance:</b>		<b>Boiling Point (°F):</b>	Not Applicable
<b>Form:</b>	Dry Powder	<b>Evaporation Rate:</b>	Not Applicable
<b>Color:</b>	Light-Medium Brown	<b>Vapor Pressure:</b>	Not Applicable
<b>Odor:</b>	Slight Animal Protein Smell	<b>Specific Gravity:</b>	Not Applicable
<b>pH:</b>	Not Available	<b>Bulk Density:</b>	Not Available
<b>Vapor Density:</b>	Not Applicable	<b>Solubility:</b>	Partially Water Soluble

---

### Section 10: Stability and Reactivity

---

<b>Chemical Stability:</b>	Stable under and non-reactive under normal conditions of use, storage and transport.
<b>Possible Hazards:</b>	None known
<b>Conditions to Avoid:</b>	None known
<b>Incompatible Materials:</b>	None known
<b>Hazardous Decomposition:</b>	None known
<b>Hazardous Polymerization:</b>	None known

---

### Section 11: Toxicological Information

---

**Ingestion:** This product is not toxic, however digestive upset may occur if ingested. If accidental ingestion does occur, dilute by drinking water or milk. Seek medical attention if symptoms persist.

**Inhalation:** Respiratory irritation could be expected, therefore provide adequate ventilation and wear NIOSH approved respiratory protection as recommended to minimize exposure when working with the product. If inhalation does occur go to an area of fresh air, restore breathing and seek medical attention.

**Eye Contact:** Eye irritation could be expected, therefore wear goggles or appropriate eyewear to prevent contact. If contact with eyes occur, flush eyes with water for at least 15 minutes. Seek medical attention if irritation is evident.

**Skin Contact:** Skin irritation could be expected, therefore wear appropriate protective clothing and gloves to protect the skin. Wash residual material from the skin using soap and water. Seek medical attention if irritation persists.

**Effects of Overexposures- Long -Term:** Not available at this time. Wash hands and clothing thoroughly after handling is recommended.

**Mutagenicity:** Not Available

**Carcinogenicity:** Not Available

**Reproductive Toxicity:** Not Available

---

## Section 12: Ecological Information

---

**Ecotoxicity:** This product is not classified as environmentally hazardous.  
**Persistence and Degradability:** No data available  
**Bioaccumulative Potential:** No data available  
**Mobility in the Soil:** No data available

---

## Section 13: Disposal Considerations

---

**Waste Disposal Method:** Dispose of excess material and packaging in an approved solid waste disposal area per current local regulations.

---

## Section 14: Transport Information

---

**DOT:** This product is not DOT regulated.  
**Shipping Name:** Not available  
**Hazard Class:** Not available  
**Packing Group:** Not available

---

## Section 15: Regulatory Information

---

**OSHA** – Ingredients in this product are not classified as hazardous (29 CFR1910.1200) and therefore are not regulated (29 CFR 1910.1001-1050).

---

## Section 16: Additional Information

---

**Date of Issue:** July 7, 2021

**Version #:** 03

**Disclaimer:** XF-Nebraska believes that the information contained herein is accurate based upon the information provided to us at the date of issue. The information provided is to serve only as a guide for safe handling, use, storage and disposal of the product. XF-Nebraska cannot anticipate all conditions under which this information and its product, or the products of other manufacturers in combination with this product, may be used. It is the users' responsibility to ensure safe conditions for handling, storage and disposal of the product, and to assume liability for loss, injury, damage or expense due to improper use. This product should be used, stored and discarded in a way that does not violate Federal, State or local laws.
